I hope between the board and myself we have served you well. Thanks to both of the boards for all their help and support. It was fun working with all of you. Thanks to all of you again and Happy Golfing' *Vera*

HOME & HOME REPORT

We lost to Coyote Creek big time. I want to thank all the girls who played in this event.

Not much to say, but lunch was great and all the ladies from both clubs had a good time. We had a lot of new gals who played from both clubs, and I think that is important.

Handicap - "T" Scores

Eveline Konig

Members, please take note that the Board voted to do away with "T" scores at Santa Teresa after all the research that Jan LaFetra did last year. Jan did send a note to PWGA concerning our decision. This is a local rule that only applies to our Ladies' Club at Santa Teresa. Eveline Konig did delete all "T" scores posted in the computer for this year's Championship Tournament.

Newsletter

Diane Tibbetts

For some of you years newsletter has taken on a successful electronic form, while others still prefer to have a paper one. For next year, I am entertaining the idea of posting the newsletter on a website for electronic access.

While this saves the club money - It takes more time to maintain the database of current email/paper addresses, resend newsletters and follow up phone calls with computer advice. So I am calling on the membership for anyone interested in becoming a co-editor. I welcome anyone who has web / desktop publishing experience to volunteer. However I would love to help someone who is interested in learning about publishing the newsletter to also consider contacting me. Call me as soon as possible. Thanks.

Diane
