Co-Captain/Membership Report

Eveline Konig Co-Captain/Membership reminded membership to be responsible in fulfilling their obligatory 12 days of play and attend 2 general meetings. If you play team play it counts as a play day. She reported we have 89 regular members and we have 10 associate members for a total of 99. The chart will be posted on the bulletin board. Associates may play 12 times a year.

Tournament Chairs Report

Since there was nothing new we dispensed with the report.

Partner Match Play

Sue Treleven reported a very successful tournament with a few dropping out. She thanked Jean Hirashi for all of her help. The results will be posted online and also downstairs on the board. The full results are also attached. Sue said that the only problem was some ladies were not familiar with match play. Maybe another year match play could be reviewed for all.

P.W.G.A. Report

Becke Reese gave her report. Zone play is coming up and we have two teams who will have a playoff tournament to see who will represent our club. The teams are Patty Yelvington and Emi Tuvey and Peggy Fisher and Carol Mack. She mentioned about getting the rebate which ends. Since San Jose Area has been without an area director it was decided to divide the San Jose area. Half of the clubs will go with the Bay Area and the other half will go with Monterey Area. She mentioned all of the tournaments in PWGA and encouraged members to sign up because it is a lot of fun. Especially the Senior Tournament that has applications online. Most of the tournaments are listed in the PWGA book with the entry forms. Attached are the reports of area splits and Zone Teams. If anyone needs a PWGA book they are in the file cabinet.

Team Play

Gina reported that it was a difficult year but she thanked all members who came out and played. We did not do so well but we can come back next year.

Starters & Scorers

Joyce said Tomie Sera would be taking over. There was a problem with getting the information to the starters and scorers but it has been solved..

Eclectics

Mary Miyahara was not present. Gina wanted us to recognize her efforts of chairing the event for 9 years and deserves many thanks The group applauded her efforts.

Sunshine

Felicia mentioned that both Barbara Hiura and Dorothy Hiura were present and the group applauded them. Barbara's next surgery will be October 21. Felicia said she knows the recovery will be just as fast.

Newsletter

Gina gave thanks to Joan Takamoto for doing a wonderful job on the Newsletter..

Old Business

Gina asked Arline Stepovich to stand up. She was honored by the city of San Jose for her volunteer work with the department of Parks and Recreation. We are lucky because we get to see her all the time and see all of her work. Gina asked the group to give her a huge round of applause.

Gina said we had tried for over a year to get someone to chair Super Guest Day and the board voted that if noone volunteered by this date, we would cancel Super Guest Day for this year. Noone volunteered so Super Guest Day is cancelled this year. Hopefully next year someone will step up to the plate.

Cancer Care Point was a great success and we give thanks to Cathy Priest and her assistants who ran the Special Tournament and to your ladies who made it a success.

There was one prize leftover so Barbara picked number 18 for the winner and it was Peggy Fisher.

Say thanks for the ladies who come out and work and make the days successful.
