Patty Yelvington encouraged people to sign up on the sheet "BOLDLY" since there have been a few problems with someone signing over a lightly written entry.

P.W.G.A./SSC Report

Becky Reese gave her report. The PW books are in the file box if needed for reference. She gave us all of the upcoming tournaments and they are all listed on the PWGA website as well as the entry forms. She encouraged us to sign up for some of the play days and will try and get some teams together if possible. First match of team play was cancelled due to rain. She has sent out a schedule to those signed up.

LPGA is coming to town April 21-27 at Lake Merced and volunteers are needed.

Rules

Barbara Hiura said all of the revised rules are online. She mentioned a situation where two people on the green hit the ball at the same time. The one farthest away is OK. The 2nd ball hit has a penalty. If a ball is hit out of turn in match play (?she will look up the rule and report)

Sunshine

Felicia had nothing to report.

Cancer CarePoint

Cathy Priest reported the entry form was available online. She told about visiting the facility and what a wonderful place with caring volunteers, most of them being cancer survivors. It is a good event and keeps the donations locally. The date is April 24. It will be \$20 entry/donation.

New Business
