New Regular and Associate Member Guidelines

The following are guidelines to help you get started and make your first few weeks playing with us, if not more enjoyable, at least a little easier. It may seem like a lot of information but I'm sure you will get the hang of it in a short time. If you have any questions don't hesitate to stop and ask any one of us old-timers. We are always happy to help.

Signing Up to Play:

Regular Members – may sign up three weeks in advance. The sign up clip board for tee times is on the table near the starter's table in the dining area on Thursday play days, both before and after play.

Otherwise, the sign up sheet is with the golf course pro shop and you may call (408)225-2650 for tee times.

Check your directory for updated changes in start times.

Associate Members – may sign up or call the pro shop, (408)225-2650 for tee times no more than 10 days in advance of a play day. Associates need to be aware that regular members have tee-time priority.

Notice:

Monday through Wednesday in the week of play. the Pro Shop does not handle cancellations, changes and additions on for that week's playday!

Monday morning the Pro Shop faxes the sign in sheet to the TPC. At this point all matters relating to the tee times (cancellations, etc..) are handled by the TPC.

Tuesday morning the Preliminary Tee Sheet is emailed to all members. This lists all players and times exactly as they appear on the sign in sheet.

Members who want to cancel or sign up for empty spots contact the TPC through email (preferably) or telephone - PATRICIA YELVINGTON <patriciayelvington@prodigy.net>

Wednesday around 4:00pm the Final Tee Sheet is emailed to the membership.

Players who want to cancel after the final tee sheet is emailed should contact the TPC as soon as possible so she can contact any members who may be on the standby list.

For cancellations on the day of play, call the Pro Shop.

Thursday Playdays:

Attendance – Check in with the starters who have a list of players according to tee times. Give them your name and tee time for that day. The monthly handicap sheet is posted on the wall near the starters desk.

Check-In Time – You must check in with the starters at least **30 minutes** in advance of your scheduled tee-time and **no later than 1 hour from the starting tee time.** This allows the starters to finish up their work and get themselves ready for playing. If you are late you may forfeit your tee-time and be moved to the end of the field.

Chip-Ins – You have the option of paying a quarter (25 cents) prior to the day's play which makes you eligible for the chip-in pot which is divided up at the end of the play day. Sign up sheet is next to the chip-in tin on the starter's table. If you are not around after play to collect your chip-in winnings an envelope with your name on it will be held at the starter's table, but for a limited time only. Scorecards – are filled out in order of handicap, lowest to highest with last name first. The club requires three and sometimes four signed cards which go to different chairpersons for record keeping purposes.

Once your round is complete please make sure to rectify your scorecard with the others in your foursome and sign all cards. Accuracy is of utmost importance to avoid disqualification for a wrong score.

Turn in all **signed scorecards** to the scorers. Note any chip-ins on the score cards and be sure to circle your name (in red) on the sign up sheet and indicate the hole number where the chip in occurred.

Posting – the posting machine is located in the alcove near the dining area. **You must post your score** If you do not know how to adjust and/or post feel free to ask the handicap chair or another member for assistance.

Winnings – Payouts for regular play-day winnings is awarded at the end of the year Christmas Luncheon. All special events, such as major tournaments and guest days are paid at the end of that day.

Canceling – if you have signed up and must cancel for the day you are required to call the pro-shop and cancel by 7 a.m. **PLEASE** call as this makes it easier for the starters and ladies who are waiting to play.

Guest Days:

Members are allowed to ask up to three guests (if space available) on guest days. Guest days are Open Play.

Associate members are not allowed to bring a guest, but can play... but sign up restrictions do apply.

Super-Guest Day – is held once a year and is similar to a regular guest day but is special in that along with the team competition we have a luncheon that follows play and a shot-gun tee time.
