

CAPTAIN'S MESSAGE

Unfortunately I have missed most of our summer of golf, but have heard from many of you and hope to get back into the swing of things (no pun intended) this fall. But the weather has been most unusual this year, making for some fine golf days and some that you wonder if it was really summer. Now that the leaves are turning we are headed into fall which is a beautiful time at Santa Teresa.

Since our last newsletter we have had some great golfing which started with our July Captain's Trophy competition. There was a 5 way tie with net 73's. As usual, the tie was broken by the back 9 scores with Leta Walter emerging as the winner. Congrats, Leta! Those who tied her were Jean Hiraishi, Nancy Perkins, Young Kerr and Bonnie Hagen. Good job all of you!

Our Captain's Trophy winners since then have been Irene Mohler in August, Eveline Konig in September and Namie Takatsuka in October. Hats off to all of you! I'll be awarding your certificates at the annual holiday luncheon.

By now you all should have sent in your membership renewals to Mona Nakamura. You may have noted that the dues went down this year due to the excess reserve in our hole-in-one fund. So I hope to see more holes-in-one so we can all enjoy a free drink and make a dent in that fund!

We continue to be a strong club but are always looking for new members. Remember if a prospective member has an established index of 36 or lower she may join our club without a qualifying round. We do require that she have an introductory round with a board member just to learn our procedures. Those without an index still need to play a qualifying round.

Pat Yelvington and Nancy Perkins did an excellent job running the Club Championship. This was Pat's second year running this tournament and my thanks go to her for her continued support to our club. Jane Lee regained the honor as our Club Champion with Joohyun Hong as the runner up. Rosemary Haeckel, our champion from last year, was the gross winner. Humm, if you look at our website it shows Rosemary as our "Low Growth" winner. Maybe this is a title offered to our low handicap ladies? I wouldn't know.

Like so many of our board and committee members Mary Miyahara again ran our Partner Eclectic. We had five flights with net scores ranging from 50-58. Wow, if we could only put those scores together in a single round! It is always fun to watch as ladies post their weekly scores and see them compare themselves to their competition. The details can be found on our website under the September results.

I will be handing over the Captain's gavel to Barbara Hiura at our Holiday Luncheon at the Villages on Friday Dec 10th. I have enjoyed working with the board and committees these past three years and know that it takes a lot of dedicated members to make our club successful. We have a great team and I'm proud to be part of it. Thanks to all of you.

P.S. I'll be teamplay captain next year, so remember to sign up at the holiday luncheon.

TEAM PLAY

Just a note to say THANK YOU to everyone who participated in team play the last 3 years that I was Team Play Captain. You were all AWESOME. Thank you also to our Treasurer and Handicap Chairperson for paying the bills and getting the handicaps to me on time.

I had a great time as your Captain and all of you were very helpful in filling in when needed (which by the way made my role a little easier and kept me sane). We had some ups and downs but overall we did a great job. I will miss being Captain but will hopefully join you at some of the games next year.

I hope everyone will sign up again next year to support our great club and our next Team Play Captain. All club members are also invited to sign up. If you haven't played in team play, you are missing a fun time.

Thanks again – I had a great time!

Hi Ladies,

Condolences were sent to Marilee Dunn with the passing of her husband Herman. He, along with his pal Jim Hill were faithful volunteers for many years at the Santa Clara County Championship as spotters on hole 17 at San Jose Country Club.

At present we have many ladies who are still in the recovery stages from surgeries or illnesses and we send them our best wishes for continued healing and hope for their return to Santa Teresa in the near future.

I haven't been out on Thursday lately so if I have forgotten anyone please know that it is not intentional and remember ladies I only know when to send someone a card when you let me know of the need to do so.

Hope to see you soon,
