Handicap

Chair, Deanna Griffin announced that some members are forgetting to use the correct equitable stroke control. Especially with the new twice a month index changes, this causes some confusion since you may go into a different handicap mid month. Players with 30-39 handicaps have a maximum of 9 strokes, and a handicap of 20 through 29 has a maximum number on any hole of 8.

Also please remember to post your scores. Deanna does this for the players who forget, however, it is the player's responsibility.

Tournament

Co-Chair, Emi Tuvey discussed the new orange flight, a policy proposed by the Board. This new flight, playing from the orange tee, is strictly optional and will be tried out for 6 months. Emi distributed written information on how the flight is set-up. The starting date of the orange flight is June 17th.

The details of the Orange Flights will be posted on the web. Sweeps will be awarded according to the number of participants in the orange flight; that is, orange tee players will receive a fair share of the sweeps. Orange flight participants can play with other players, but are not eligible for Captains Trophy and will follow the tournament players, in Handicap, Championship tournaments, Guest days, Super guest days. No orange flight participation in: EC, Birdie Board and Captain's Trophy Day.

A question was asked regarding closest-to-the pin (CTP) as orange tee players in fact would be closer. The Board discussed this issue thoroughly, deciding in favor of allowing the orange tee players to participate in CTP awards.

[A motion to approve the 6 month trial of the Orange Flight as described on the handout, by Joanne Zemetra, seconded by Barbara Hiura. motion carried]

Handicap Tournament

Chair, Pat Skavdahl thanked the 24 players who participated in the H/C tournament. Congratulations to 2010 Championship Yoshiko Takeshita. It took all 18 holes before she defeated Dora Moutafian. Takeshita will have her name engraved on the Handicap Champion plaque. Consolation – Harumi Mori, Third—Mary Forster; First flight winner – Rosemary Haeckel Runner-up — Emi Tuvey, Consolation – Deanna Griffin. Third – Fudge Masuda ; Second flight: First – Felicia Angeles , Runner-up – Patty Yelvington, Consolation – Leta Walter, Third – Junko Stonehocker

Pat thanked Tomie Sera and all players who helped out in the tournament. Pat has volunteered to handle this tournament again next year.

Pat suggests members give some thought to the tournament format. Next year Pat is proposing to shorten the subsidized tournament and go to a pair's tournament format.

Jan La Fetra made a suggestion to use a 10 stroke difference instead of the current 7 strokes as it is so difficult to match players.

Cathy thanked Pat for her hard work on the Handicap Tournament, saying the Board will discuss these issues. Cathy thanked Pat for the delicious homemade cake she brought to the club on the last day.

Leta reminded the members that the club needs help, please step up and volunteer for some of these positions when asked.
