

Captains Notes

Teddy Lopes

Hi! ladies hope everyone has been enjoying the summer and having fun. I am glad to see things going well in our club. Welcome to all our new members and I hope you are enjoying our club. I would like to see some of you ladies try a little harder to speed up play. We are having a problem with alot of 5+ hour rounds which makes for a long day. Please don't forget to make our October General Meeting, and please think hard about volunteering to take a position on the board for next year or working on a committee. With out the support of all of our members it makes it hard to keep the membership growing, so please consider it and I promise you will get lots of help from everyone who has experience in what ever you decide to do. Good Luck with your golf games and tournaments.

Your Captain,

Teddy

Slowly but surely, our membership is going up. The club now has 117 regular members and 35 associates. It's so nice that Rita Palestro and Corrine Valenti seem like they are at home playing here at Santa Teresa. I've seen them out here recently. And Michelle Chung recently played in the Partner Aggregate with Mary Mason. What a great introduction to our club functions.

I currently have four prospective members in qualifying rounds through October. Since June, we've qualified these new members. They are listed below along with member contact updates:

SUNSHINE

by Nancy Fujimoto

Hi Ladies!

Hope everyone has been enjoying their summer. Although some of the mornings have been quite cool and breezy, the sun always manages to come out after the first few holes. Don't forget to bring those jackets just in case.

This summer I have sent out cards to the following members:

Louise Fleener - for her broken wrist. I understand she was trimming her roses at the time. We wish her a speedy recovery.

Gloria Zufall - for her hernia surgery. I know personally after playing with her that she has recovered quite well!

Gina Gordon - for her case of shingles. She says that the lesions are gone, and she has some good medication for the pain. She's ready to play golf!

Satoko Kawakami - for some needed good cheer since she has not been feeling well. We wish her the very best and hope she's feeling better soon.

That's all the news I have for now. Take care and enjoy the rest of the summer.

BIRDIE BOARD

The last day for the birdie board is November 18, the day of the turkey shoot.

Continue posting your net and gross birdies so you will get credit for them at the end of the year.
