

New Board for 2003

Captains Notes

Mary Wond

We are so lucky to live in California where we can play golf year round instead of in the Midwest where the high temperature one January day was 15 degrees and the low 1 degree.

I am looking forward to a wonderful year with a great board and great committee members who so unselfishly give of their time and efforts. Please always remember to compliment these volunteers when you like something they have done or are doing AND if you don't like something, keep silent and volunteer to do the job yourself next year.

If you haven't noticed, the plaque in memory of Ida Roach is in the ground in the middle of the three redwood trees planted on hole # 5. I always pause a moment and have a little thought about Ida as I play through.

Rules

Dorothy Moranto

I have just been alerted to two errors in the Decisions book. The underlined text is missing: Rule 12 - 4th paragraph should read as follows:

If a ball lying in an abnormal ground condition is accidentally moved during a search, no penalty is incurred; the ball shall be replaced, unless the player elects to proceed under Rule 25-1b. If the player replaces the ball, he may still proceed under Rule 25-1b if applicable.

Rule 18-2a - First sentence:
When a player's ball is in play, if:

Ladies, STWGC plays by USGA rules - make sure you know them!

Birdie Board

Marilee Dunn

Birdies count for all games including tournament. Will not count for Best Ball or Guest Days. Home and Home will count when we play at Santa Teresa and ladies who are not playing in the Home and Home may count their birdies for that day. Mark all birdies if you have not picked up.

If there is a line through the day on the birdie chart then birdies will not count.

The Birdie Board for 2003 will end on November 20, 2003

Remember to refigure your scores with the new handicapping. Many changes were made. If you have a question about the birdie board, please contact Marilee Dunn as she is the keeper of the birdie cards. A card must be turned in to verify the birdies posted on the sheet. All cards are checked for accuracy.

P.W.G.A. News *Evonne Davenport*

Pick up your new PWGA handbook if Santa Teresa is your home club. This booklet has information about PWGA and its various functions. The association is divided in eight areas serving northern and central California. Santa Teresa Women's Golf Club is in the San Jose Area. The PWGA handbook, as well as our club handbook, has the dates and locations of San Jose Area playday in which you may wish to participate.

The first San Jose Area playday is on April 21 at Spring Valley Golf Course. The deadline for me to send in the entries is March 21. The fee is \$53 which includes a cart and \$2 for sweeps. If you are interested in playing, please see Evonne Davenport, PWGA rep, or put your name on the sheet on the bulletin board.

PWGA also sponsors a team play competition (we usually call this Zone Team Play to distinguish it from our county team play competition). The qualifying tournament for our area will be held at Coyote Creek on May 19. The finals of the team play will be at Chardonnay GC in Napa on July 8 and 9. We will send a four person team to the qualifying tournament and on to the finals if we successfully qualify. More than one team from San Jose Area will qualify, but we don't know until later just how many. Watch for more information about being on Santa Teresa's team. It is imperative that those playing on our team be available to attend both the qualifying tournament and the finals.
