RULES FOR QUALIFYING

Regular membership is taken from a CURRENT WAITING LIST. All prospective members must qualify. Qualification is based on having one score of 115 or better in five (5) attempts. Games must be played at Santa Teresa with a board member on a regular non-special play day.

New members joining on or before January 31 are required to play at least twelve (12) games on a regular play day. New members joining February 1st through April 30th are required to play at least ten (10) games on a regular play day — May through July — five (5) games.

A regular member must play twelve (12) games on a play day per year. If fewer games are played membership will automatically revert to Associate Member status, unless a valid excuse is received by the Board of Directors and subsequently approved. Associate Members are limited to no more than 12 games a year, are not eligible to compete in major tournaments, and may play but cannot invite a guest on Guest Days. Attendance year runs from January 1 to December 31.

PLEASE NOTE:

DUE TO COURSE CAPACITY, MEMBERSHIP IS CONTROLLED BY MANAGEMENT OF SANTA TERESA GOLF COURSE. THE WAITING PERIOD MAY BE AS LONG AS A YEAR.
