### Captain's Message

We're quickly approaching the end of another fine year for the Santa Teresa Women as 2007 begins to wind down. As of this submission, we have yet to crown a Club Champion and we still have the Turkey and Bottle shoots remaining, so there's still a lotta golf yet to be played.

I want to congratulate Harumi Mori for her first hole-in one and it was no short shot. The course had just moved the 7<sup>th</sup> tee back to it's 140 plus distance.

I want to congratulate all the Captain's Trophy winners so far this year, Joohyun Hong and Young Kerr recently, and to Namie Takatsuka, Carol Fara, Bev Pedersen, Harumi Mori and Dora Moutafian. But for me, special recognition goes to Judy Porter for her first Captain's Trophy win since she joined he club some 16 years ago. Now this was truly a memorable for her and she can

check-off another golfing goal achieved.

These were just a few recent highlights, and I'm sure there were so many to brighten up your golf year.

For me, of course, I will always remember my mom's Handicap Champion victory, a special one for my own personal memory book.

I wish to thank my board this year. They are all quite special people whom I will fully recognize at the Christmas party. I'll just mention briefly a very special recognition of Dora who stepped up when our beloved Gina became ill. Dora's filling several hats these days and brings a fresh perspective and vision to each of them. She's a jewel, a gem, and we are quite fortunate that she's so willing to serve this organization.

As the end of my term as captain draws to a close, I also want to thank you, the women of Santa Teresa. It's been a pleasure to serve you, play with you, and work with you these past two years.

### Rules - Loose impediments

Sand is a loose impediment only on the green so if you are off the green and plan to putt on, do not brush away any sand in your line or putt. If you do, it is a two stroke penalty. You can remove other loose impediments such as stones, leaves, twigs, dung, worms, insects. Loose impediments are natural objects. You can brush sand away on the green.

Hi Everyone,

Hope all of you had a great summer and had a chance to play some good golf. Now with fall and winter approaching, we have the colder mornings, warmer clothing, and winter rules to look forward to. This past summer I had send out cards to the following ladies:

LAURA MALESH – for being diagnosed with lymphoma. She became ill while visiting her family in Canada and returned to California. She started chemo treatments but developed complications with blood clots. We are so glad to hear that her condition improved so that she could start her next round of treatments. We all extend our thoughts and prayers to Laura during this difficult time. We wish her a speedy and full recovery. If you have time, I'm sure she would appreciate any encouraging cards, telephone calls, or visits. She can be reached at:

Oak Meadow Extended Care Center  
Attn: Laura Malesh  
350 De Soto Drive Los Gatos, CA  
95030  
(408) 356-9151

JEAN HIRAISHI - for knee surgery .  
It's good to hear that the doctor has

given her the okay to start playing golf again. In fact she is already playing 18 holes. With all her new parts (two hips, thumb, shoulder and knee) she is truly Santa Teresa's BIONIC WOMAN !

We also continue to keep GINA GORDON, our former co-captain, in our thoughts and prayers as she recovers from her autoimmune illness. Hopefully we will be seeing her at Santa Teresa in the near future.

Thanks again, ladies, for keeping me informed about our members and what's been happening. Without your help, I wouldn't be able to send out those cards and well wishes. I guess that's about it for now.
