

Captains Notes

Teddy Lopes

I want to thank my Board for standing in for me while I was out with Family and Medical hardships. I would like to thank Barbara Hiura for doing a great job in running the Club and especially keeping me informed. I can not thank all of you enough for all the cards, phone calls, flowers and some of my golf friends for coming to see me at the hospital and at home. It really ment a lot to me. I hope I can step back in and be the kind of Captain that you expect me to be this year. Please fill free at anytime to call or e-mail me if their is anything I can do for you or just to talk. Not many people in their life time are as lucky as I am to belong to such a wonderful golf club and have cemented so many life long friendships. Now that the rains have stopped I will be able to play and we all can enjoy the game the way it should be. Have fun this summer and I will see most of you at our July General Meeting.

Your Captain and Friend, *Teddy*

MEMBERSHIP and ATTENDANCE

We have 113 Regular members and 25 Associates. I've had membership inquiries, and I still have four applications pending. I haven't been able to qualify anyone for a while because of rainouts, the Handicap Tournament, board meeting and partner aggregate tournament. I've posted attendance as of the end of May. I believe we've had four rainy days, Jan. 6, April 7, April 28, and May 5. Attendance credit was given to those who played (not just showed up) on two of the rain outs and credit was given to all who were scheduled to play in the Super Guest day held on April 28. No one played on May 5. We've had 21 scheduled play days, 17 actual play days, and 20 rounds where credit was given. We've had one meeting. See next page for listing of new members.

SUNSHINE Nancy Fujimoto

Hi Ladies!

It's hard to believe that we are already half way through 2005. Hopefully this year has been bringing you a fine year of golfing. Unfortunately there will be some unexpected occurrences such as accidents, illnesses, deaths, etc. that befall our members and their immediate family. It is my responsibility to bring a little cheer and support during those times by sending cards, flowers, or calling on behalf of the Santa Teresa Women's Golf Club.

First of all, I would like to give my special thanks to Ingrid Sander for sharing her creative card ideas with me. She was even so kind as to put them on a disk so that they could be copied. Some of you might have received these cards already. I know it's a little late, but THANKS, Ingrid!

During the last months of 2004, I had sent out cards to the following ladies:

October:

Becky Reese - for her hysterectomy operation

Felicia Angeles - for a bad case of shingles

Namie Takatsuka - for a broken rib

Sara Hoffman - for her colon cancer surgery

November

Gina Gordon - for knee surgery
Mignon Pierce - for the loss of her mother-in-law

December

Pat Hughes - for her open heart surgery after a heart attack

Bobbie Hill - for her husband's heart attack

Jean Hiraishi - for surgery on her thumb

We began the New Year with some bad news about **Teddy Lopes** having lung cancer. I went to visit her at the hospital after her surgery and brought a potted plant on behalf of the club. She was in good spirits despite the pain she was feeling from the large incision from the operation. Many of you signed a get well card for her which I later sent. In the few months that have passed since her surgery, she has made such a speedy recovery that she is now playing some golf. Fantastic!

The other members I sent cards to in January, February and March 2005 were:

January

Bobbie Hill - for her thumb surgery after a freakish accident driving the golf cart

Sally Rule - for hitting her face after a nasty fall

February

Joan Takemoto - for her husband's aneurysm surgery

Tomie Sera - for her absence due to husband's health problems

Merilee Dunn - for her husband's surgery

March

Ann Kusumoto - for her surgery after an appendicitis attack

That's about it for now. Please be sure to keep me informed of any members you know who might need some cheering up. Call me, e-mail me, or tell me personally. In the meantime keep smiling -- especially while playing this game!?!
Nancy

Handicap

Nancy Perkins

I recently sent an E-Mail to our Club Membership regarding registering their E-Mail addresses on the PWGA web site (www.golfpwga.org). By doing this you will automatically be E-Mailed your up-dated index on the first of each month along with other information you might find interesting.

If you have internet access and an E-Mail address, but did not receive my message, it means I have an incorrect address for you, so please send me your current one.

For those of you who do not have a computer and would like me to print out a Handicap Index Label for you, please let me know.

The actual date when the USGA will be iReport is still not set, but they're now saying the first of June or July, so please bear with me as we make the transition.

P.W.G.A. News

Gina Gordon & Felicia Angeles

Please check you Santa Teresa 2005 Handbook for the dates regarding upcoming PWGA events. PWGA Playdays are listed along with the major PWGA events.

A reminder: if you are signing up for one of the major events you must NOT send in your application before the date listed or your entry will be disqualified.

Seven Santa Teresa ladies participated in the Spring Valley Playday and Dorothy Hiura was our shining star winning closest to the pin and 1st in her flight. Felicia Angeles and Gina Gordon won 3rd in their respective flights.

Rosemary Haeckel and myself represented Santa Teresa at the Cypress Hill Playday. Twenty-six ladies participated in this event and yours truly won 3rd in her flight.

Our next playday is at Crystal Springs on September 19th and we are hoping many of you have signed up to play. If you haven't attended one of these events come on out and join us. Sign up sheet is always posted in the ladies restroom.

Thank you ladies for your supporting the PWGA Jr. Girls Golf Program. The mulligans you pre-purchased for our super guest day and so generously agreed to send on to PWGA amounted to \$285. A copy of the letter I sent along with our check plus a copy of the letter from the PWGA treasurer thanking us for our contribution is posted on the bulletin board in the hallway.

PWGA WEBSITE: www.golfpwga.org. Check it out...you can access you handicap index, post scores, check tournament listings and scores, check playday results and much, much more.

Representing Santa Teresa in Zone Team Play are Dora Moutafian, Gina Gordon, Jennifer Post and Betty Freeman.

APPOLOGIES FROM THE EDITOR

"Sorry for the delay in getting our first newsletter issue out for 2005. The computer problems have been resolved and we are back on track.

Thank you all for your patience!"

Diane Tibbetts

A little reminder from Eveline.....

"If you have signed up for golf and cannot play, please call the pro shop to cancel your tee-time."

Thanks!

Birdie Board

Martha Kawanami

To be included on the gross/net birdie board, sign your name on the posting sheet on the bulletin board and post your gross/net birdies. It is \$5.00 for each board.

Post your gross/net birdies after each playday so they will be totaled at the end of the year. The birdie board will run through the turkey shoot on November 17.

If there is a playday when there is not 20 members playing, the birdies will count when they are posted. The birdie board will not count during the handicap tournament, guest days, best ball partner day or anytime a player can pick up.

Remember to refigure your score with the change in the monthly handicap. If you do not know how to figure out the gross/net birdie, let me know.

Martha
